

WELCOME TO LA

Los Angeles in the 1950s was one of America's fastest growing cities. Not all visitors were warmly welcomed by the California Highway Patrol. In Stan's depiction a CHP officer prepares to write-up a speeder driving a 1954 Buick Skylark. The CHP cruiser is a 1955 Buick Century similar to the one made famous in the popular TV series Highway Patrol, starring Broderick Crawford.

An 18"x12" all *vintaged* metal sign on steel (not tin) with rolled edges and holes in the corners for easy hanging.
